

THIS MARCH, BE COUNTED IN! HOST A SCREENING FOR PI DAY, 3.14

The **Counted Out** and **Year of Math** teams invite you to host a community screening this March in honor of Pi Day. Together, we're using this global celebration of math to spark conversations that help audiences rethink what math is, who it's for, and why it matters—growing our movement to reimagine math and declaring 2026 the Year of Math.

ABOUT THE FILM:

In the 21st century, our world is dominated by technology, data, and algorithms, yet we maintain the persistent myth that not everyone is a “math person.” Can changing our minds about math revolutionize who has power—and who is counted out?

HOW IT WORKS:

You select a date in March, choose your venue, and invite your community. We provide:

- Full 90-minute film (special Year of Math partner rate \$314!)
- A facilitator’s discussion guide
- NEW: Math activities for post-screening engagement
- Marketing and outreach materials
- Technical support through our community screening platform
